Table of Contents

<i>Introduction</i>	1
About This Book	1
Conventions Used in This Book.....	2
What You're Not to Read	2
Foolish Assumptions.....	3
How This Book Is Organized	3
Part I: All Cooped Up	4
Part II: Constructing a Coop	4
Part III: Checking Out Coop Plans	4
Part IV: The Part of Tens.....	5
Icons Used in This Book	5
Where to Go from Here.....	5
 <i>Part 1: All Cooped Up</i>	 7
Chapter 1: Flocking to Your Own Chicken Coop.	9
Understanding the Basics of Housing.....	9
Looking at the Gear You'll Need	10
Choosing Coop Materials	11
Getting Up to Speed on Carpentry	12
Constructing a Coop: The Nuts and Bolts	13
Readying the site.....	14
Framing	14
Putting up walls, a roof, and more.....	15
Adding special touches	16
Building a run	16
Hooking up electricity.....	16
Checking Out a Few Coop Designs	17
Chapter 2: Beginning with Housing Basics.	19
Providing Basic Benefits with Your Coop	20
Analyzing the Anatomy of a Coop	21
Making Your Coop Convenient for You	23
Selecting Your Coop's Location and Size	23
Before you begin: Considering zoning and covenant concerns.....	24
Looking at proximity to houses	24
Utilizing utilities	25
Digging into drainage issues.....	27
Understanding that yes, size matters.....	27

Building Chicken Coops For Dummies

Choosing a Coop to Fit Your Needs (and Skills).....	28
A-frames and hoops.....	29
Chicken tractors.....	30
All-in-one coops.....	32
Walk-in coops	32
Chapter 3: Gathering Your Gear.....	35
Putting Safety First with Essential Equipment.....	36
Digging Up Dirt on Garden Tools.....	36
Measuring and Marking Lumber for Your Coop.....	37
Measuring up tape measures	37
Making your mark	38
Sizing Up Saws and Supports	39
Putting In Posts.....	42
Digging postholes	42
Setting the posts	43
Mixing and pouring concrete	44
Framing Your Coop	45
Honing in on hammers	45
Nailing it with a nail gun.....	47
Pressing a screw gun into service	48
Leveling and Squaring As You Build	48
Just level with me	48
It's hip to be square.....	49
Working with Wire.....	50
Cutting wire	50
Fastening wire	51
Checking Out Other Miscellaneous Tools	51
Chapter 4: Deciding on Materials	53
Before You Shop: Considering Recycled Materials.....	53
Lumbering Through Boards for Your Build	54
Sizing boards	54
Figuring out what type of board to buy	55
Knowing what to look for in a board.....	56
Shopping for Sheet Goods	58
Sizing sheet goods	58
Checking out plywood and OSB.....	58
Steering clear of certain sheet goods.....	60
Getting Attached to Fasteners	60
Notes about nails	60
Stuff about screws	63
Figuring Out Flooring	67
Wondering About Walls	68
Getting to the Root of Roofing	69
Researching Your Run	70
Finding your fencing.....	71
Picking your posts	72
Adding It Up: Estimating the Amount of Materials You Need.....	73

Chapter 5: Building Your Carpentry Skills.....75

Measuring and Marking Materials	75
Reading the tale of your tape	76
“V” marks the spot, and “X” marks the trash.....	76
Chalk it up	77
Cutting Wood Safely	78
Selecting saw blades.....	78
Cutting board lumber	80
Cutting sheet goods.....	84
Assembling Materials	85
Nailing it down	85
Screwing it in place.....	87
Joining Pieces at Tricky Angles	88
Toe-nailing	88
Pocket hole joinery	90
Plates	91
Using Levels and Squares	91
Carpenter’s level	92
Specialty levels	93
Speed squares	94

Part II: Constructing a Coop..... 97**Chapter 6: Preparing the Site.....99**

First Things First: Clearing the Site	99
Checking the Level of the Ground	100
Installing Posts in the Ground.....	101
Digging holes for footings	102
Bracing your posts.....	104
Mixing and pouring concrete	105
Securing Posts Aboveground.....	107
Mounting posts on top of concrete footings.....	107
Using concrete pier blocks	108
Topping Your Posts.....	109

Chapter 7: Laying the Lumber: Framing 101.....111

Building a Subfloor	111
Framing the joists	112
Installing the decking	115
Framing the Walls.....	116
Laying out studs.....	117
Assembling wall panels on the ground	118
Framing Doors and Windows	120
The extra parts needed to frame doors and windows.....	120
Walking through extra framing steps	121
Raising the Wall	123

Fastening Walls Together	124
Framing the Roof	125
Getting the pitch perfect	126
Analyzing a roof's anatomy	126
Building a roof frame	127
Cutting and attaching rafters	129
Chapter 8: Adding Walls, Doors, Windows, and a Roof	133
Putting Up Walls	133
Fastening plywood in place	134
Cutting out openings	136
Working with other materials	137
Building a Basic Shed Door	140
Making Your Own Window	143
Topping Off Your Coop with a Roof	144
Hanging out your shingles	144
Conquering corrugated panels	149
Venting Your Coop	150
Chapter 9: Building Creature Comforts	153
Finalizing Your Flooring	153
Coming Home to (a) Roost	154
Location, location, location	154
Roost requirements: Making your roost out of different materials	156
Securing and supporting your roost	157
Feathering a Nest Box	158
Designing nest boxes	158
Building nest boxes	160
Other options: Buying or repurposing nest boxes	161
Ramping Up	162
Chapter 10: Assembling a Run	165
Framing a Simple Run	165
Working with Wire Mesh	168
Sizing up, measuring, and cutting the wire	168
Fastening the wire to your posts	169
Adding even more wire	171
Chapter 11: Plugged In: Basic Electricity for Your Coop	173
Calling a Pro to Run a Line to Your Coop	174
Buzzing About Outlets versus Switches	174
Receptacles (also known as outlets)	175
Switches	177
Letting There Be Light	177
Deciding whether to include artificial light in your coop	177
Properly placing the right amount of lighting in your coop	178
Choosing fixtures	179
Warming Up to Heaters	180
Falling for Fans	181

Part III: Checking Out Coop Plans 183**Chapter 12: The Minimal Coop 185**

Vital Stats	186
Materials List.....	186
Cut List	187
Shelter floor	187
Front wall	188
Back wall	188
Right and left walls	189
Roof framing	190
Nest boxes	190
Assembling the Coop	191

Chapter 13: The Alpine A-Frame 195

Vital Stats	196
Materials List.....	196
Cut List	197
Shelter floor	197
Gable 1 (nest box side)	198
Gable 2 (run side, interior)	199
Gable 2 (run side, exterior) with run door	200
Roof panel 1 (fixed side)	201
Roof panel 2 (hinged door).....	202
Nest boxes	202
Roost.....	203
Run panel 1	204
Run panel 2 with door	205
Run gable	206
Assembling the Coop	206

Chapter 14: The Urban Tractor 209

Vital Stats	210
Materials List.....	210
Cut List	211
Tractor base and shelter floor	211
Left wall	212
Right wall	213
Front wall	214
Rear wall and chicken door	214
Run posts and framing	215
Cap plate and roof rafters.....	216
Roof, fascia, and gables.....	216
Access door	217
Nest boxes	218
Run door and chicken ramp	219
Assembling the Coop	220

Chapter 15: The All-in-One227

Vital Stats.....	228
Materials List.....	228
Cut List	229
Skids and floor skirting	230
Shelter floor	230
Right wall framing.....	231
Front wall framing.....	232
Left wall framing.....	232
Back wall framing.....	233
Exterior wall sheathing	234
Run framing	235
Roof framing and rafters	235
Roof, gables, and fascia.....	236
Shelter access door and slam strips	237
Chicken door, slam strips, and ramp	238
Nest boxes and roost bar.....	238
Nest box door and slam strips	239
Front wall trim.....	240
Back wall trim.....	240
Right wall trim	241
Left wall trim.....	242
Run access door.....	242
Assembling the Coop	243

Chapter 16: The Walk-In251

Vital Stats.....	252
Materials List.....	252
Cut List	253
Skids and floor	253
Front wall framing.....	254
Back wall framing.....	255
Right wall framing.....	255
Left wall framing.....	256
Front wall sheathing and trim	257
Back wall sheathing.....	257
Right and left wall sheathing and trim	258
Roof rafters	259
Gable ends and soffits	259
Roof, gable overhangs, and fascia	260
Access door	260
Chicken door	261
Nest box door	261
Nest boxes	262
Roost.....	263
Assembling the Coop	263

Part IV: The Part of Tens..... 269**Chapter 17: Ten or So Things Novice Coop-Builders
Would Have Done Differently271**

Make the Coop Bigger	271
Make the Coop Taller	272
Consider the Location More Carefully.....	272
Don't Cheap Out on Materials.....	273
Use Screws Rather than Nails	273
Elevate the Coop Off the Ground.....	274
Make the Doors Wider	274
Consider How to Clean the Coop	274
Make the Nest Box Easily Accessible.....	275
Paint the Coop Before Assembly	276
Reinforce the Run Underground.....	276

Chapter 18: Ten or So Cool Ideas to Trick Out Your Coop.....277

Electricity	277
Solar Power	278
Running Water	278
Storage Space	279
A Quarantine Area	279
An Automatic Feeder and Waterer	280
A Removable Droppings Pan.....	281
Wheels	281
A Retractable Roof.....	281
"Air-Lock" Doors	282
Automatic Door Closers	282
A Wireless Weather Station.....	282

Index 285
